Education

- 2020–** **University of Southern California, Los Angeles, USA**
 Annenberg School for Communication and Journalism
 PhD Candidate, Graduation Expected May 2025 (GPA: 4.0/4.0)
- 2017–2019** **Seoul National University, Seoul, South Korea**
 M.A. in Communication (GPA: 4.03/4.3)
- 2011–2016** **Seoul National University, Seoul, South Korea**
 B.A. in Communication, *summa cum laude* (GPA: 3.92/4.3)
- 2013–2014** **Erasmus University, Rotterdam, Netherlands**
 Exchange student at Erasmus School of History, Culture and Communication

- Lee, E., & **Jang, E. (presenter)** (2020, May). From Selective Exposure to Opinion Polarization: How Perceived Public Opinion and User Choice Moderate the Effects of Partisan News. Mass Communication Division at the 70th Annual Conference of International Communication Association (ICA). Virtual.

- Jang, E. (presenter)** (2019, May). How Do South Korean Films Attract Female Audiences Through Male Genre? The 60th Anniversary Conference for Korean Society for Journalism & Communication Studies. Gwangju, South Korea.
- Jang, E. (presenter)** (2018, August). Construction of “Pretty Boy” Masculinity in Korean Buddy Films. Preconference for the 12th Association for Cultural Studies: Crossroads in Cultural Studies. Shanghai, China.
- Jang, E. (presenter)** (2017, November). Representation of ‘Male Body’ in Korean Film and Female Spectatorship. The University of Tokyo-Seoul National University-National Chengchi University Symposium. Tokyo, Japan.

Research Experience

- | | |
|-----------|--|
| 2022– | <p>Research Assistant</p> <ul style="list-style-type: none"> • Annenberg School for Communication and Journalism, University of Southern California • Supervisor: Dr. Lindsay Young • Analyzed tweets and hashtags for Black Trans Lives Matter (BTLM) Twitter online movement |
| 2022 | <p>Research Assistant</p> <ul style="list-style-type: none"> • Annenberg School for Communication and Journalism, University of Southern California • Supervisor: Dr. François Bar • Conducted literature review and drafted policy briefs on US broadband consumer subsidy programs including the California Lifeline |
| 2019–2020 | <p>Research Assistant</p> <ul style="list-style-type: none"> • College of Liberal Studies, Seoul National University • Project Title: Big Data Studies: In Search of the New Normal in the Humanities (PI: Dr. Javier Cha) • Research on big data, data centers, and surveillance |
| 2019–2020 | <p>Research Assistant</p> <ul style="list-style-type: none"> • Institute of Communication Research, Seoul National University • Project Title: When Rewards Become Punishment: Motivated Misattribution of Outgroup Member’s Good Deeds (PI: Dr. Eun-ju Lee) • Designed experimental stimuli and questionnaire |
| 2019 | <p>Research Assistant</p> <ul style="list-style-type: none"> • Big Data Institute, Seoul National University • Assisted in Introductory Course on Python and MySQL |
| 2019 | <p>Research Assistant</p> <ul style="list-style-type: none"> • Project Title: Elsewhere Project (PI: Dr. Lev Manovich) • Collected and analyzed data on diffusion of global concepts in national Wikipedia |
| 2018–2019 | <p>Research Assistant</p> <ul style="list-style-type: none"> • Institute of Communication Research, Seoul National University • Project Title: From Selective Exposure to Opinion Polarization: How Perceived Public Opinion and User Choice Moderate the Effects of Partisan News (PI: Dr. Eun-Ju Lee) • Designed experimental stimuli and questionnaire, statistical analyses |

- 2018 Research Assistant
- Institute of Communication Research, Seoul National University
 - Project Title: Basic Research for Foundation of Seoul National University (SNU) Popular Culture Archive and Research Institute (PI: Dr. Sugmin Youn)
 - Collected data on foreign digital/audiovisual archives providing model for proposal of ‘SNU Popular Culture Archive’
- 2017–2018 Monitor Staff, Seoul National University (SNU) Fact Check Center
- Reviewed fact-checking articles uploaded on SNU Fact Check website, drafted ‘Fact-checking Trend Report for 19th Korean Presidential Election,’ proposed news items for fact-checking to Korean News Agencies, translated ‘Fact-Checking Guidelines for Newsrooms’ and global fact-checking trends

Honors and Awards

- 2020–2025 **Doctoral Study Abroad Fellow**, Korea Foundation for Advanced Studies (KFAS)
5-year doctoral grant, pre-doctoral grant, and training
- 2024–2025 **USC Graduate School Endowed Fellowship** (1-year fellowship), Annenberg School for Communication and Journalism, University of Southern California
- 2020–Present **Annenberg Graduate Fellowship & Assistantship**, Annenberg School for Communication and Journalism, University of Southern California
Full coverage of tuition, stipend, and health insurance
- 2023 **Top Paper Award**, Game Studies Division, National Communication Association (NCA)
- 2023 **Top Student Paper Award**, Game Studies Division, International Communication Association (ICA)
- 2021 **Top Paper Award**, Association for the Rhetoric of Science, Technology, and Medicine (ARSTM) Division, National Communication Association (NCA)
- 2017–2018 **Graduate Student Instructor (GSI) Scholarship**, Seoul National University
- 2016 **Summa Cum Laude**, Seoul National University
- 2014 **Merit-Based Scholarship**, CJ O Shopping
- 2013 **Merit-Based Scholarship**, Seoul National University

Research Grants

- 2024 **Annenberg Graduate Fellows Journal Article Workshop Award** (\$1,000), Graduate School, University of Southern California
- 2023 **Annenberg Summer Research Grant** (\$2,000), Annenberg School for Communication and Journalism, University of Southern California
- 2022–2024 **USC Annenberg Graduate Fellowship Research and Creative Project Symposium** (\$2,600 total), University of Southern California
- 2022 **Graduate School Research/Travel Award** (\$1,000), University of Southern California
- 2020 **Honorarium**, USC MASTS Research Group Summer Project on Privacy Rights (\$1,000)

Travel Grants

2024	Michael Haley Travel Grant (\$1,250), International Communication Association (ICA)
2024	Student Travel Grant (\$400), International Communication Association (ICA) Health Communication Division
2023	Sunbelt Conference Student Travel Award (\$1,000), International Network of Social Network Analysis (INSNA)
2023	SICSS-Penn Travel Grant (\$1,100), The Summer Institutes in Computational Social Science (SICSS)
2023	Student Travel Grant (\$300), International Communication Association (ICA) Game Studies Division
2022	Annenberg Summer Education Grant (\$2,000), Annenberg School for Communication and Journalism, University of Southern California
2022–2023	The Graduate Student Government Professional Development Fund (\$1,000 total), University of Southern California

Teaching Experience

2024	Instructor of Record, University of Southern California <ul style="list-style-type: none"> • COMM 204 Public Speaking (Spring 2024)
2023	Teaching Assistant (Discussion Section), University of Southern California <ul style="list-style-type: none"> • COMM 200 Communication and Social Sciences (Fall 2023)
2021	Teaching Assistant, University of Southern California <ul style="list-style-type: none"> • COMM 309 Communication and Technology (Fall 2021)
2017–2018	Teaching Assistant, Seoul National University <ul style="list-style-type: none"> • 211.706 Studies in Visual Communication (Fall 2018) • 211.669 Cultural Studies and Visual Methods (Spring 2018) • 200.113A Understanding Communication (Spring 2018) • M1312.001200 Media and Storytelling (Fall 2017)

Guest Lecture

2024	<i>Computational Social Network Analysis in Games</i> . Video Games: Business, Science and Culture (by Prof. Dmitri Williams). Annenberg School for Communication and Journalism, University of Southern California. February 5.
------	--

Research Affiliations

2023–	Health and Equity Media Collaborative, University of Southern California (PI: Dr. Robin Stevens)
2022	Annenberg Research Network on International Communication (ARNIC), University of Southern California
2021–	Annenberg Game Group, University of Southern California (PI: Dr. Dmitri Williams)

- 2020– Annenberg Networks Network (ANN), University of Southern California
(Co-Directors: Dr. Lindsay Young, Dr. Aimei Yang, and Dr. Marlon Twyman)
- 2020– Media as Socio-Technical Systems (MASTS), University of Southern California
(PI: Dr. Mike Ananny, Dr. Colin McClay)

Professional Membership

- International Communication Association (ICA)
Health Communication
- National Communication Association (NCA)
Health Communication
Human Communication and Technology
Mass Communication
- Korean American Communication Association (KACA)

Special Training

- 2023 Summer Institute in Computational Social Science held at University of Pennsylvania (SICSS-Penn)
- 2022 Inter-university Consortium for Political and Social Research (ICPSR) Summer Program in Quantitative Methods of Social Research
 - Courses taken: Network Analysis II (Advanced Topics), Regression Analysis II
- 2019 Data Science Boot Camp (1 month), Big Data Institute, Seoul National University
 - Courses taken: Advanced Python for Data Science, Basics of Machine Learning, Basics of Deep Learning
- 2019 Introductory Course on Python and MySQL (4 months), Big Data Institute, Seoul National University
- 2018 Intermediate course in R Programming (2 weeks), Seoul National University
- 2018 Summer Program in Methods of Social Science Research (2 weeks), Korea Social Science Data Archive (KOSSDA), Seoul, South Korea
 - Courses taken: Intermediate Statistics, Text Analysis (with R)
- 2017 Summer Program in Methods of Social Science Research (2 weeks), Korea Social Science Data Archive (KOSSDA), Seoul, South Korea
 - Courses taken: Basic Statistics

Work Experience

- 2016–2017 SSAT Lecturer, YBM S&S Institute – Seocho-gu, Seoul, South Korea
 - Taught reading comprehension/verbal sections

Additional Experience

- 2014–2015 Volunteer, Good Law NGO – Seocho-gu, Seoul, South Korea
 - Monitored ‘Court of law’ and ‘2014 Inspection of Administration’

- Translated foreign Constitutions and educational law content
- 2012 Intern, SBS Broadcasting center – Yangcheon-gu, Seoul, South Korea
- Collected data on Korean variety shows
 - Managed online website and translated media content

Languages/Skills

Language	English (Fluent), Korean (Native)
Tools/Software	R, Python, UCINET, SPSS, NVivo, LIWC (Automated text analysis program)
Computer Skills	Premiere and Photoshop, Certified Microsoft Office Specialist 2007 Master
